2012
DIVISION 4 TOURNAMENT

MISSION STATEMENT

To inspire our youth; regardless of race, color, creed, or national origin. To practice the ideals of health, citizenship and character.

To implant the game elements of safety, sanity, and intelligent supervision; and to keep the welfare of the player first, foremost, and entirely free of adult quest for glory. To emphasize teamwork for all participants.

“A SUPERIOR ATTITUDE”

“The longer I live, the more I realize the impact of attitude on life. Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think, say, or do. It is more important than appearance, giftedness, or skill. It will make or break a company...a school...a home. The remarkable thing is we have a choice everyday regarding the attitude we will embrace for that day. We cannot change our past...we cannot change the fact that people will act in a certain way...we cannot change the inevitable. The only thing we can do is plan on the one thing we have, and that is our superior attitude. I am convinced that life is 10% what happens to me and 90% how I react to it. A superior attitude will produce superior results.”
